Read English books on your appropriate reading level.

Update the number of pages read on the [Readathon site](#) to see yourself rise through the levels.  
 This form may be printed and filled out by hand for your convenience, but by February 17<sup>th</sup> all information should be online.

**Are there prizes?**

YES! The more pages you read and the more levels you reach (see [table above](#)), the more vouchers and prizes you earn! *You decide how many prizes you'll win!*

**What is sponsorship?**

The idea is that not only can you benefit from reading but others can too! Use this opportunity to raise money for Tzedekah. Your donor can choose a one-time donation or a per page/book donation. Use the [sponsorship table](#) in the first page. Go [here](#) to see a sample sponsorship request letter and donation links.

**Who benefits from the sponsorship?**

The outlay for the Readathon expenses is 30,000 NIS. We know it's a foolproof way to improve reading scores. Kids love the prizes. Local businesses help with a third of the cost. But the rest needs to be raised by other means. If every reader would raise 100 NIS Readathon costs would be covered!
